Sinestro saves the day

(ALTERED SCRIPT)

TRAIN CONDUCTOR

Ay no, we've switched to the wrong track, and we're headed for an oncoming train!

WOMAN

This is a disaster!
We're headed right for it!

HAL JORDAN

Sounds like a job for Green Lantern-
but I'll have to teleport out of the train if I want to stop this collision.
(later, as Green Lantern)
I only have seconds to stop the trains before they collide!

TRAIN CONDUCTOR

Ay-yi-yi!

HAL JORDAN

Oh boy! It's Sinestro!

SINESTRO

That's right, Hal Jordan!
I hear there's some trouble in the subway!

HAL JORDAN

That's right, and I won't let you cause any more trouble!

SINESTRO

Now now, no time for a fight!
There's a train that needs to be stopped!
(pause)
My power ring will handle it!

MAN

Thank heavens, it's over!

SINESTRO

I have other tasks to attend to, Green Lantern!
Take care.

TRAIN CONDUCTOR

I don’t believe it!
Wasn’t that Sinestro of the Yellow Lanterns?

HAL JORDAN
Yes, it was!
